Dear \_\_\_\_\_ :

You are cordially invited to attend the **2024 DLA Energy Worldwide Energy Conference**—the leading event for anyone involved in the energy supply chain sector—taking place **22-24 April 2024, at the Gaylord National Harbor, in National Harbor, Maryland, USA.**

The DLA Energy Worldwide Energy Conference draws more than 2,300 high-level U.S. Department of Defense employees, contractors, and top industry experts to discuss current trends and initiatives in the petroleum, aerospace, and renewable energy fields. In 2024, more than 100 workshops will be offered, covering topics across DLA Energy's worldwide business including petroleum supply and distribution, supply chain services, aerospace energy, and installation energy. In addition, participants have an opportunity to meet face-to-face with 100+ exhibitors and hear first-hand about the latest energy products and services on the market.

**Visas:** The U.S. regularly updates its visa policies to increase security for our citizens and visitors. It may take you longer to get a visa than it used to, and you will find that a few new security measures have been put into place. Please visit [travel.state.gov](https://travel.state.gov) for complete information on visa policies, how to get a visa, visa news, or to locate a consular office. For details that may apply specifically to your country, visit [usembassy.gov](https://usembassy.gov).

*Please note:* DLA Energy and its Show Management Contractor, The Bridge Group, LLC, have no influence on the decision of any U. S. Embassy or Consulate to approve or reject any application for a visa to enter the United States. As an applicant, it is your responsibility to present legitimate reasons for attending the Worldwide Energy Conference and provide all necessary documentation to support your request for a visa. DLA Energy cannot assist you with the visa application or interview process, nor can we contact the embassy or consulate on your behalf to support your visa application.
